Project Spotlight

Bachman Homes — Craftsman design for 2009 Parade of Homes & Landscapes

The 2009 Parade of Homes & Landscapes is October 2nd, 3rd and 4th. While we are not hosting an open house, we hope you have a chance to stop by and tour the home, located at 2053 Pine Cliff Road, on Friday (3:00—8:00), Saturday (10:00—5:00) and Sunday (noon—5:00). A Parade Passport is \$5 per person; kids 18 and under are admitted free. All ticket proceeds benefit [Homes For Our Troops](#). Additional information is available from the [Builders Association of Central Pennsylvania](#).

Maintenance Corner

Furnace and Humidifier Settings

With the decrease in both humidity and temperature it is time to transition your furnace to the winter setting. The damper from furnace to humidifier should be moved to the open position, allowing heated air to pass through the humidifier. Your damper may be marked with "Open – Heating" or "Winter" for this setting. In addition, if your humidifier has a tray that holds water it should be cleaned with a calcium cleansing solution. The final step requires the humidistat dial to be set in order to provide a comfortable level of humidity. Once you notice condensation on the inside of the windows, adjust to a slightly lower setting. Please contact us if you have any questions.

The Excitement Is Building!

Building Sites

We have several building sites available for new custom homes. Please see details below!

Bachman Homes

Lot 256, Stearns Crossing

We have three lots in the [Stearns Crossing development](#). Lot 256 is over one-half acre in size, can easily accommodate a walk-out basement, and has an excellent view of Mount Nittany. Stearns Crossing is an ideal neighborhood with proximity to [Penn State](#) and [Mount Nittany Medical Center](#).

"You can complain because roses have thorns, or you can rejoice because thorns have roses." - Tom Wilson
